

Sprint # 4 Report - Travelog
Cherry, Emily, Brian, Timothy, Felicity
12/3/24

Actions to stop doing:

- The team should stop underestimating the workload per task.

Actions to start doing:

- The team should start implementing more progress checks throughout the week to stay on track.

Actions to keep doing:

- The team should keep following Agile methodology and update the Jira board regularly so that we know the progress of each task.
- The team should continue to communicate with each other and for any question/concerns.
- The team should continue to attend meetings regularly so that we can all stay up-to-date on the project and discuss necessary changes or topics.
- The team should keep pushing their code more regularly so everyone is aware of the progress made on each task.
- The team should keep coming to a solid consensus on UI and functionality changes before starting the task to ensure that things don't have to be changed multiple times.

Work completed/not completed (excluding test):

Sprint 3 User Stories:

- As an **avid explorer**, I want to view an overview of my past trips as a visually engaging slideshow by category, so that I can easily relive and cherish my travel experiences.

Sprint 4 User Stories:

- As a **traveler**, I want to see other people's trips & journals to gain inspiration on where to make my trip.

Work completion rate:

- Total number of user stories completed during the prior sprint: **2/2**
- Total number of estimated ideal work hours completed during the prior sprint: **21**
- Total number of days during the prior sprint: **13**
- Average user stories/day: **2/13**
- Average ideal work hours/day: **10 (overall)**
